Hiring of Young Professionals

INTRODUCTION

The Indian Council of Agricultural Research (ICAR) plays a pivotal role in advancing agricultural research, education, and extension in the country. Through its extensive network of institutes and coordinated efforts, ICAR addresses critical challenges related to food security, sustainability, and farmer welfare. The Council is committed to ensuring that its scientific achievements, innovations, and farmer-centric initiatives are effectively communicated, thereby strengthening public outreach, enhancing transparency, and improving its national visibility.

The English Editorial Unit (EEU) of the Directorate of Knowledge Management in Agriculture (DKMA) plays a pivotal role in the editing, reviewing, and publication of ICAR's scientific and technical outputs. These include research journals, magazines, handbooks, annual reports, and other special publications. The EEU ensures that ICAR's publications meet the highest editorial, linguistic, and scientific standards, thereby upholding the organization's reputation for quality agricultural communication and dissemination of knowledge.

The Production Unit of ICAR-DKMA is responsible for the end-to-end production of the Council's print and digital publications from the final manuscript stage to the finished product. Its core functions include page layout, typesetting, graphic design, image processing, proofreading, pre-press preparation, printing, binding, quality control, and production of e-publications. The Unit also coordinates with authors, editors, designers, and printers to ensure timely publication of high-quality books, journals, magazines, reports, bulletins, newsletters, brochures, posters, catalogues, and other knowledge dissemination materials in accordance with ICAR's publication standards.

The Business Unit, DKMA is responsible for strengthening business management and information services, expanding access to research and development resources, and promoting the effective utilization of agricultural knowledge. Its key activities include developing business models, improving sales and marketing of ICAR publications and knowledge products, establishing distribution networks through booksellers, dealers, and distributors, coordinating with State Governments and agricultural universities, and promoting e-access to scientific information among researchers, scientists, and teachers.

The Finance Unit, DKMA is responsible for judicious scrutiny of financial sanctions, vetting of purchase proposals, pre-audit and processing of payments through DDs, cheques, and e-payment, maintenance of cash books, adjustment and clearance of advances and deposits, submission of monthly accounts to ICAR, examination of contracts and tender documents, preparation of Budget Estimates and Revised Estimates, and dealing with audit reports and settlement of audit objections in consultation with the officers concerned.

To strengthen the operational and editorial capacity of the English Editorial Unit, ICAR-DKMA is hiring **03 Young Professionals–II (YP-II)** for English Editorial Unit, Production Unit and Business Unit of DKMA and **01 Young Professional -I (YP-I)** for Finance Unit of ICAR-DKMA.
